I am already a committee member and have thoroughly enjoyed this role, believing there is still much work to be done, particularly as we move towards a new phase of leadership (manager) and hopefully beyond Covid.

I am also very interested in how we maintain traditions - ensuring everything people love about the House, the culture, is maintained and encouraged how do we capture other voices, interest groups eg older people, single parent families, older men, - and lots to get involved in.

What do you wish to achieve during your tenure on the Committee and as an active member of Committee?

I wish to achieve a greater sense of community for myself, SNH and for the CoG, the House. I would love to be able to walk around the community and for the general public to 'know' there is SNH. I still think there is a general lack of knowledge and understanding about Sussex NH.

I would hope my tenure achieves an implementation of systems and mechanisms which extend to safety, security and stability of the staff, community and CoG regarding risk management, IT and communication, ensuring there is an updated computer and software package to meet the needs of above; train the trainer..etc
